and NSD File No. L-00-72.

Dear FCC:

I have a Tracfone for my handicapped son to carry as he drives across town in the middle of the night to pickup the newspapers he delivers. There has been one call on that phone in all the time he's had it. His truck broke down and he was able to call so his dad could come help him. I gladly pay approximately \$8 per month for this important insurance. I would appreciate your not raising my cost.

Thank you. Janet S. Riedel

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,

Janet S. Riedel
